Management has concluded that any tax positions that would not meet the more-likely-than-not criterion of FASB ASC 740-10 would be immaterial to the financial statements taken as a whole. Accordingly, the accompanying financial statements do not include any provision for uncertain tax positions, and no related interest or penalties have been recorded in the statements of revenues, expenses and changes in net assets - cash basis or accrued in the statement of assets, liabilities and net assets - cash basis.

Part I, Line 2 - Procedures for Monitoring the Use of Grant Funds

The executive director is in contact with the groups on a regular basis to make sure that the grants are properly managed. In the case of Carriage House (Kentucky Center for Special Children), the executive director sits in on sessions where they discuss the amount and nature of potential scholarship grants. For Dreams with Wings (DWW), the Executive Director reviews the budget ahead of time.

For DWW, we get reimbursed by the Crusade for part of our funding and this may be impacted in 2020 given that the camp has moved to a more virtual vs. in person approach.

Feat of Louisville is a non-profit organization of parents and professionals dedicated to ensuring that all individuals with autism have the opportunity to reach their full potential through all forms of effective early intervention.

Form 990, Part III, Line 4b - Second Accomplishment**Dreams in Motion summer camp:**

Dreams in Motion Summer Camp, in collaboration with Dreams with Wings, is critical to help tweens, teens and young adults with autism learn key behavioral, social, and self-help skills in a supervised environment that is typically not offered during their normal school year programs. These programs provide meaningful ways for the children to develop friendships, important life skills and overall community living skills that position them to be more engaged in typical activities going forward. In addition, the youth are outside and building physical endurance and fitness through fun activities. Not having this type of program would definitely force these children and young adults to become more isolated and excluded from the community, which would be a disservice to them and the community in general. The camp served 50 youth and teens in 2019 as we seek to find ways to expand our location to allow for additional students.

Form 990, Part III, Line 4c - Third Accomplishment

this goal. While these attributes may be in an individual's control, the decision of the employer is not. It is estimated that the unemployment rate for individuals with autism is around 85%. Adults with autism have been an untapped labor pool due to a lack of understanding, awareness and education on the part of the employers. The large portion of the autism community have the skills and potential to succeed in the job market, and these skills can be revealed, sharpened and honed with the help of a job coach. The Job Coach at Bluegrass Center for Autism helps students with autism to learn, accommodate, and perform potential work duties. Another component of the Job Coach is to also help with interpersonal skills that are necessary in the workplace. The job coach is especially helpful for those individuals who may have more significant challenges, but with the right training they are able to help discover, strengthen, and support necessary skills and the needs of that particular student. The coach is in essence an extension of "on the job training" at times, and with continued work, can transfer the skills and work ethic to the individual with autism. This program supported 14-18 students.

Form 990, Part III, Line 4d - All Other Accomplishments

GET Your FEAT Wet Swim Program, collaboration with All About Kids, offers one-on-one instruction with a qualified swim instructor and an autism-trained behavior therapist. This program offers these children an opportunity to exercise and learn to swim and just as importantly, water safety, which is typically not possible through normal swimming programs. FEAT has been offering the Get Your FEAT Wet program for over 10 years since the program started which demonstrates how important this is for children. Learning to swim will help keep these children with autism safer

around the many pools in our community.

In addition to the programs listed above FEAT also supports many additional smaller dollar programs and activities directly and through dedication of staff resources which include support for the AFBI program designed to promote community wide autism friendly businesses, Orchid House, a recently launched facility in Louisville's West End that provides autism related services to younger children, educational conferences and workshops, family and children social events, and general outreach/parent support. FEAT also leads the Autism Friendly Community effort which is designed to bring together over 20 autism related organizations in Louisville to discuss key issues facing the autism community and identify how to support these efforts going forward

The Board Chairperson shall report the disclosure at the meeting and the disclosure shall be reflected in the minutes of the meeting.

stands for election as an officer or for re-election as a member of the Board of Directors.

Interested Persons who are not members of the Board of Directors of FEAT, or who have a Conflict of Interest with respect to a Contract or Transaction that is not the subject of Board or Committee action, shall disclose to the Executive Director, the Board Chairperson, or the Board Chairperson's designee, any Conflict of Interest that such Interested Person has with respect to a Contract or Transaction. Such disclosure shall be made as soon as the Conflict of Interest is known to the Interested Person. The Interested Person shall refrain from any action that may affect FEAT's participation in such Contract or Transaction.

In the event it is not entirely clear that a Conflict of Interest exists, the individual with the potential conflict shall disclose the circumstances to the Executive Director and the Board Chairperson or the Chair's designee, who shall determine whether full Board discussion is warranted or whether there exists a Conflict of Interest that is subject to this policy.

Form 990, Part VI, Line 15a - Compensation Process for Top Official

The Executive Director's is determined using prior salary levels, total amount of salary paid to staff to keep this below ~35% of total revenues and prior experience of the individual. The Director's salary is discussed amongst members of the Finance Committee and ultimately approved by the Board of Directors. The salary review for the executive director occurred in the current year.
