Easing the autism journey through a community network created for families by families by providing ongoing support, education, programs and resources.

FEAT of Louisville is a non-profit that actively supports and helps fund local autism programs and activities for the entire family. FEAT models a collaborative spirit, working with other agencies in the community to identify gaps in services and then implement programs that support both children and families.

BECOME AN AUTISM HERO

We imagine a world where every family challenged with autism is encouraged and empowered, and EVERY child with autism deserves the chance and opportunity to reach their full potential.

FEAT is a Louisville based charity, touching individual families... but with an impact strong enough to transform lives and the communities in which they live. FEAT of Louisville empowers autism families by ensuring that they receive support, education and programs that their children need to succeed.

FEAT of Louisville wants to give you the opportunity to support these events and give hope to thousands in our area who live with autism. The realm of exposure and benefits of sponsorship is outlined on the following pages. Your participation in FEAT events will provide your company tremendous exposure in the marketplace, corporate image enhancement as good corporate citizenry in Louisville, frequent opportunities for touch points with customers and clients, and become an Autism Hero.

By becoming an Run for Autism 5K sponsor, you instantly put your company in front of a large audience ready to make a difference in Kentuckiana!

Run for Autism 5k is a fundraising event that teams up friends, families, co-workers, small businesses and corporations to raise not only funds for local autism programs but more importantly to raise autism awareness, understanding and acceptance in our community. And with every step we take, every dollar we raise...we are that much closer.

With over 1200 participants, 100 volunteers and hundreds more spectators, Run for Autism is about bringing the community together in a celebration of caring, of hope, and of compassion to make a difference for everyone who has been touched by autism spectrum disorder.

Proceeds from the Run for Autism 5K provide resources and support, educational workshops, camps & clinics for all children, adolescents and young adults with autism and their families in our community.

CREATE A STIR ABOUT AUTISM GALA

The Olmstead
Friday, September 29, 2023

Create A Stir About Autism offers an opportunity to equate your brand with "fun!" and compassion.

The Create A Stir About Autism Gala is a fun packed evening with spectacular auction items, delicious food, great music and dancing. It is also a very inspiring event as you get a closer look at how your generous sponsorship has a life-changing impact on local families by helping to provide scholarships and programs that empower families and ease their autism journey.

Sponsorship packages include plenty of tickets for giveaways to thank vendors and key stakeholders, or to show employees your company's dedication to children with autism.

ANGELS FOR AUTISM

In 2020, the inaugural Angels for Autism event commenced. This is an intimate event with a well curated guest list. The event features hor d'oeuvres, dinner, and silent auction.

Your business will have exposure during the event and exposure as a FEAT sponsor on our website and social platforms. Becoming an Angels for Autism partner provides your business the opportunity to partner with FEAT of Louisville and help continue to ease the autism journey for families in our community.
