Form 990 - Organization's Mission

Feat of Louisville is a non-profit organization of parents and professionals dedicated to ensuring that all individuals with autism have the opportunity to reach their full potential through all forms of effective early intervention.

Form 990, Part III, Line 4b - Second Accomplishment

Dreams in Motion Summer Camp, in collaboration with Dreams with Wings, is critical to help tweens, teens and young adults 7-21 years with autism to learn key behavioral, social, and self-help skills in a supervised environment that is typically not offered during their normal school year programs. These programs provide meaningful ways for the children to develop friendships, important life skills and overall community living skills that position them to be more engaged in typical activities going forward. Typically, the youth are outside and building physical endurance and fitness through fun activities but, due to the pandemic the camp was held virtual. Not having this type of program would definitely force these children and young adults to become more isolated and excluded from the community, which would be a disservice to them and the community in general. The camp served 50 youth and teens in 2022 as we seek to find ways to expand our location to allow for additional students and offer more programming during the summer.

life. Motivation, competitive skills, and hard work can help adults achieve this goal. While these attributes may be in an individual's control, the decision of the employer is not. It is estimated that the unemployment rate for individuals with autism is around 85%. Adults with autism have been an untapped labor pool due to a lack of understanding, awareness, and education on the part of the employers. The large portion of the autism community have the skills and potential to succeed in the job market, and these skills can be revealed, sharpened, and honed with the help of a job coach. The Job Coach at Bluegrass Center for Autism helps students with autism to learn, accommodate, and perform potential work duties. Another component of the Job Coach is to also help with interpersonal skills that are necessary in the workplace. The job coach is especially helpful for those individuals who may have more significant challenges, but with the right training they are able to help discover, strengthen, and support necessary skills and the needs of that particular student. The coach is in essence an extension of "on the job training" at times, and with continued work, can transfer the skills and work ethic to the individual with autism. This program supported 25 students during the year.

Form 990, Part III, Line 4d - All Other Accomplishments

GET Your FEAT Wet Swim Program, collaboration with All About Kids, Aqua Tots and Home of the Innocents offers one-on-one instruction with a qualified swim instructor and an autism-trained behavior therapist. This program offers these children an opportunity to exercise and learn to swim and just as importantly, water safety, which is typically not possible through normal swimming programs. FEAT has been offering the Get Your FEAT Wet program for over 15 years since the program started which demonstrates

how important this is for children. Learning to swim will help keep these children with autism safer around the many pools in our community. FEAT expanded the program in 2022 which is now being offered in 4 locations in Jefferson and Oldham counties.

FEAT also supports additional programs through dedication of staff resources which include support for the AFBI program designed to promote community wide autism friendly businesses. Launched in 2017 we have registered and certified businesses in 16 states.

Marty's Orchid House, formerly located in Louisville's West End provides autism related services to younger children, educational conferences and workshops, family and children social events, and general outreach/parent support. FEAT also leads the Autism Friendly Community effort which is designed to bring together over 20 autism related organizations in Louisville to discuss key issues facing the autism community and identify how to support these efforts going forward.
